

UTAH

Career Technical Education (CTE) Profile

Secondary CTE is delivered through comprehensive high schools. Postsecondary CTE is delivered in each of the state's eight regions by colleges and universities in the state's system of higher education and through the state's eight Utah College of Applied Technology (UCAT) campuses. The State Board of Education has been designated the eligible state agency to receive and allocate federal CTE funds.

Enrollment

In FY 2012, 108,624 secondary and 61,670 postsecondary students participated in CTE. At the secondary level, 48% were female and 52% were male. At the postsecondary level, 43% were female and 57% were male.
