4-Year Postsecondary Enrollment, Fall 2013[7]

- 9%
- 3%
- 10%
- 7%
- 6%
- 65%

Career and Technical Education

Secondary CTE is delivered through comprehensive high schools, area technology centers, and skills centers. Postsecondary CTE is delivered through the state's community and technical colleges and the aforementioned area technology centers. The Oklahoma Department of Career and Technology Education is the designated Perkins-eligible agency.[8]
State CTE Contact

Jeremy L. Zweiacker, Coordinator Carl Perkins—Monitoring & Nontraditional, careertech, 1500 West Seventh Avenue, Stillwater, OK 74074-4398, (405) 743.6881, jeremy.zweiacker@careertech.ok.gov

In FY 2014, 34% of secondary and 2% of postsecondary students enrolled in CTE were economically disadvantaged.[9]
Secondary CTE Enrollment, FY 2014[9]

- ■ American Indian/Alaska Native
- ■ Asian/Pacific Islander
- ■ Black
- ■ Hispanic
- ■ Two or More
- ■ White

12%, 2%, 7%, 10%, 5%, 63%

Postsecondary CTE Enrollment, FY 2014[9]

11%, 3%, 8%, 6%, 5%, 67%

Career Clusters

Seven of the 16 career clusters in CTE lead to many high-skill, high-wage, and high-demand STEM related careers. These include: Agriculture, Architecture, Health, Information Technology, Manufacturing, STEM, and Transportation, Distribution, and Logistics. These career clusters contain programs that prepare students for nontraditional careers.
Secondary Enrollment, FY 2014[9]
(*blue* = female, *green* = male)

Postsecondary Enrollment, FY 2014[9]
(*blue* = female, *green* = male)

Median Salary Range (national, $000)[10]
